03-01	03- SurgeX Road Atlanta Petit P2 Clash	Luca Fioravanti #7	90	main straight	you can see im pulling to the right to cover the inside, then i make a slight left steering input to make my car go parallel to the white line on the right, Luca is still pulling right into my rear to turn me  <a href="https://streamable.com/avrktv">https://streamable.com/avrktv</a>	<b>Rule 4.e Overtaking Safely; Explanation:</b> Car #95 exited the pits on Lap 84 in front of car #7 impeding the flow of car #7 at pit out which was explicitly mentioned in the drivers briefing. Cars #7 and #95 had a good battle for the next 5 laps with car both cars swapping positions on each lap. This was VERY close and good racing including multiple times racing side by side on the front straight where the incident eventually happend on lap 90. Coming out of turn 12 starting lap 90 car #7 is faster and attempts to pull in front of car #95 on the left side of the main straight. However car #7 travels at an angle to the right instead of driving straight at track out and staying on the left side of the track and hits car #95 crashing him out of the race from P6 to P24 13 laps down. <b>Ruling: Car #7</b> Unsafe Pass. <b>Penalty: Car #7</b> loss of 8 championship points. <b>Car #95</b> Warning for Unsafe Pit Exit- next occurance will result in penalty
03-02	03- SurgeX Road Atlanta Petit P2 Clash	Ajibola Lawal #14	102	10A	Sends it from 1 1/2 car length away. Had to open, otherwise we both would have crashed. Still he almost turns me around and gains a position.	<b>Rule 4.e Overtaking Safely &amp; Rule 4.j Dive Bombing; Explanation:</b> Car #14 tried an unsafe "divebomb" pass at the last turn of the last lap resulting in contact with Car #64. There was no overlap and no way car #14 could have completed the pass safely even if Car #64 had left room on the inside. <b>Penalty: Car #14</b> loss of one race position and written warning that if found guilty again of same offense <b>Car #14</b> will be issued a one race ban.
